

Night investigation work at Princes Highway and Railway Road, Sydenham, from 12 August

The NSW Government is funding this work as part of its \$300 million Gateway to the South Pinch Points program which will improve traffic flow on Sydney's key southern road corridors.

Roads and Maritime Services will be carrying out utility investigation work around Sydenham to finalise the design for improvement work to the intersection of Princes Highway and Railway Road.

We will be surveying and potholing to locate underground utilities.

We have included a map to show the location of the work.

Our work schedule

The investigation work will be carried out over **five night shifts** between **Sunday 12 August 2018** and **Friday 31 August 2018**, weather permitting. Our working hours will be between **9pm** and **5am**.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

Traffic changes

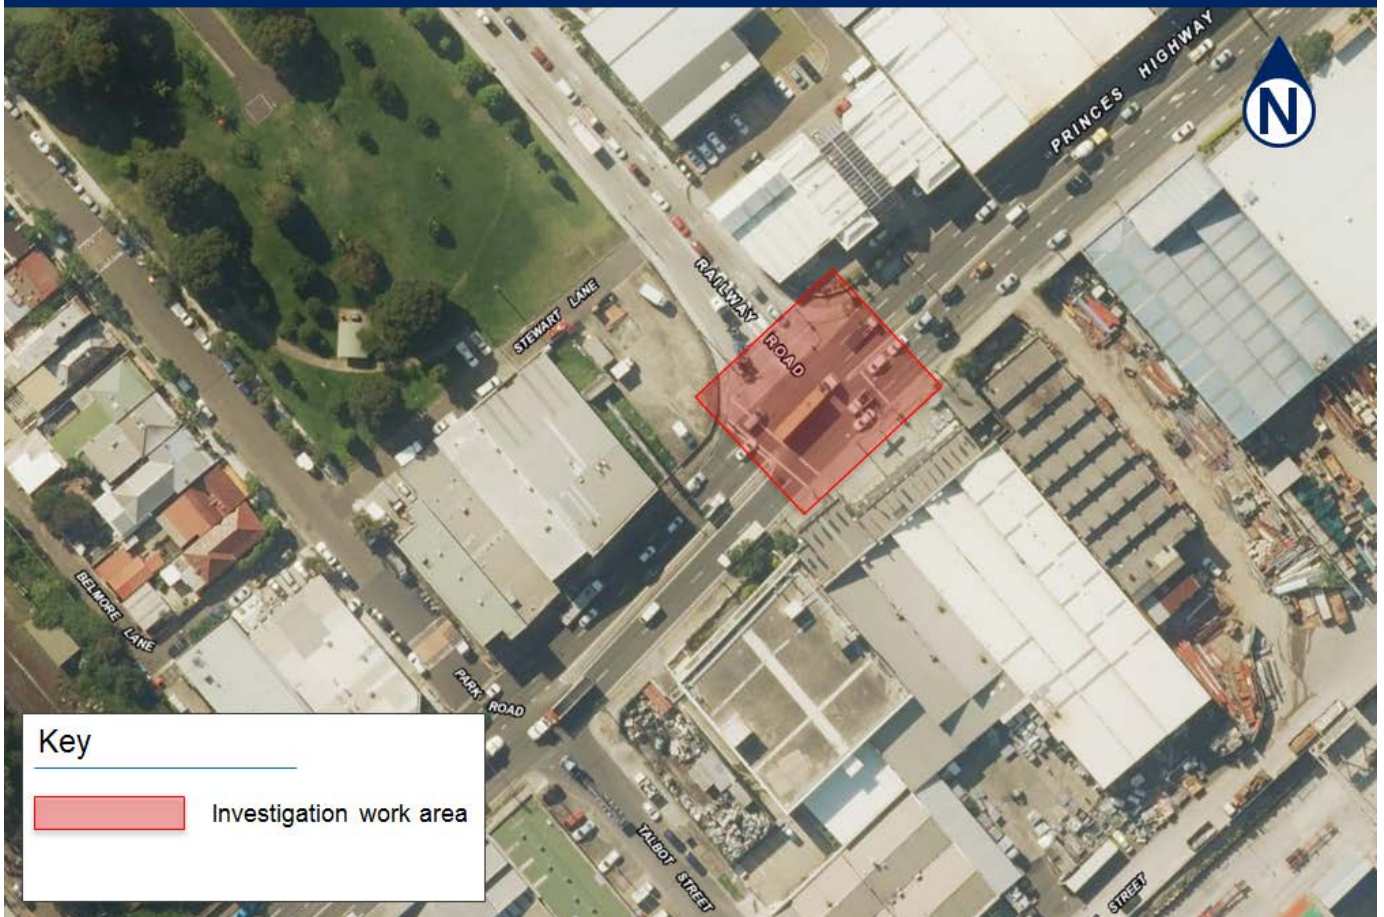

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Manager, Belinda Papps, on 1800 572 114 or g2s@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
