

## Have your say extended – Improving bus services in Rozelle, Lilyfield, Leichhardt, Annandale and Camperdown

### The NSW Government is funding this proposal to improve the reliability of bus services.

Transport for NSW and Roads and Maritime Services are extending the consultation period for this proposal and are now seeking feedback by **Friday 29 January**. The proposal is to make changes to some bus stops on:

- Darling Street, Rozelle
- Balmain Road and Perry Street, Lilyfield
- Norton Street, Leichhardt
- Parramatta Road, Leichhardt to Camperdown.

This includes:

- Combining or removing some bus stops to reduce the number of locations where buses need to stop
- Lengthening some bus stops to accommodate longer buses
- Changing on-street parking to make it easier for buses to move in and out of bus stops.

You may have received a brochure outlining the proposed changes last month. However, if you would like another copy please visit our website [www.rms.nsw.gov.au/bpp](http://www.rms.nsw.gov.au/bpp), contact our project manager on 1800 575 250 or email [rozellebuspriority@rms.nsw.gov.au](mailto:rozellebuspriority@rms.nsw.gov.au)

These changes have been developed by Transport for NSW and Roads and Maritime, in consultation with Sydney Buses. Local councils were consulted as part of the early planning work.

Considering the interest in the proposal and following a request from Leichhardt City Council, we are extending the consultation period until late January.
