Week commencing Monday 16 January: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will reduce the size of the work site on the southern toll plaza precinct this week.

We will be working each day from Monday 16 January until Sunday 22 January, weather permitting.

Working hours are 7am to midnight.

It is anticipated there will be five shifts continuing past midnight where we will need to finish installing movable medians as part of the reduction to the work site footprint. This will not be noisy work however it does need to happen at night as it involves lane closures.

If you have any questions about this work, please call the Sydney Harbour Bridge Projects Team on 1800 581 595 or email sydneyharbourbridgeprojects@rms.nsw.gov.au
