Week commencing Monday 30 January: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work within the worksite in the southern toll plaza precinct this week.

We will be working each day from Monday 30 January until Sunday 5 February, weather permitting.

Our working hours are 7am to midnight.

It is anticipated there will be one shift continuing past midnight. This work needs to happen at night as it involves lane closures.
