Week commencing Monday 10 April: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work within the worksite in the southern toll plaza precinct this week.

We will be working each day from Monday 10 April until Thursday 13 April, weather permitting.

Our working hours are 7am to midnight.

It is anticipated there will be four night shifts continuing past midnight. This work needs to happen at night as it involves lane closures.

There will be no work at the intersection of York and Grosvenor Streets.

There will be no work carried out over the Easter long weekend from Friday 14 April to Monday 17 April.
