Week commencing Wednesday 19 April: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work within the worksite in the southern toll plaza precinct this week.

We will be working two days between Wednesday 19 April and Sunday 23 April, weather permitting.

Our working hours are 7am to midnight.

It is anticipated there will be two night shifts continuing past midnight. This work needs to happen at night as it involves lane closures.

There will be two night shifts at the intersection of York and Grosvenor Streets.

There will be no work carried out on Monday 24 April and Tuesday 25 April due to the Anzac Day public holiday.
