Week commencing Wednesday 26 April: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work within the worksite in the southern toll plaza precinct this week.

We will be working each day from Wednesday 26 April until Friday 5 May, weather permitting.

Our working hours are 7am to midnight.

It is anticipated there will be nine night shifts continuing past midnight. This work needs to happen at night as it involves lane closures.

We will be working for up to two nights at the intersection of York and Grosvenor Streets, weather permitting. Our working hours will be between 8pm and 5am.

We will also work at the intersection during the day on Saturday 29 April, weather permitting. Our work hours will be from 6am to 6pm.
