Week commencing Saturday 6 May: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work at the southern toll plaza precinct this week.

We will be working each day from Saturday 6 May until Sunday 14 May, weather permitting. Our working hours are 7am to midnight.

It is anticipated there will be four night shifts continuing past midnight on the bridge. This work needs to happen at night as it involves lane closures.

We will be working up to five nights at the intersection of York and Grosvenor Streets, weather permitting. Our working hours will be between 8pm and 5am.

We will also work at the intersection during the day on Saturday 6 May and Saturday 13 May, weather permitting. Our work hours will be from 7am to 6pm.

From Saturday 6 May, the southbound lanes that motorists use to access the city and the Western Distributor will change.

Motorists are advised to follow the signs on the bridge, and can watch animations of the new lane configuration on the project website.

If you have any questions about this work, please call the Sydney Harbour Bridge Projects Team on 1800 581 595 or email sydneyharbourbridgeprojects@rms.nsw.gov.au.

Thank you for your patience during this important work.
