**Week commencing Monday 15 May: Sydney Harbour Bridge southern toll plaza precinct upgrade**

**The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.**

Roads and Maritime Services will continue work at the southern toll plaza precinct this week.

We will be working each day from **Monday 15 May** until **Sunday 21 May**, weather permitting. Our working hours are **7am to midnight**.

It is anticipated there will be **five night shifts continuing past midnight** on the bridge. This work needs to happen at night as it involves lane closures.

We will also work **five shifts** at the intersection during the day, weather permitting. Our work hours will be from **7am to 6pm**.
