Week commencing Monday 25 September:

Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work at the southern toll plaza precinct this week. We will be working each day from Monday 25 September until Monday 2 October, weather permitting.

Our working hours on the bridge are typically 7am to midnight. We will also work six night shifts on the bridge where work will continue past midnight. We will also need to work Saturday 30 September from 7am to 6pm.

We will work six night shifts at the intersection of York and Grosvenor streets, weather permitting. Our night work hours are typically from 8pm to 5am and day work is normally from 7am to 6pm from Monday to Friday.

To complete work at the intersection, we may also need to work extended hours between 10pm on Friday 29 September and 4am on Monday 2 October.

If you have any questions about this work, please call the Sydney Harbour Bridge Projects Team on 1800 581 595 or email sydneyharbourbridgeprojects@rms.nsw.gov.au.
