Week commencing Monday 13 November:

Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work at the southern toll plaza precinct this week. We will be working each day from Monday 13 November until Monday 20 November, weather permitting.

Our working hours on the bridge are typically 7am to midnight. We will also work five night shifts on the bridge where work will continue past midnight. We will also need to work Saturday 18 November from 7am to 6pm.

We will work five night shifts at the intersection of York and Grosvenor streets, weather permitting. Our night work hours are typically from 8pm to 5am and day work is normally from 7am to 6pm from Tuesday to Friday.

To complete work at the intersection, we may also need to work extended hours between 10pm on Friday 17 November and 4am on Monday 20 November.
