Week starting Monday 23 April:

Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services will continue work at the southern toll plaza precinct this week. We will work **four nights** this week. Night work hours will be from **9pm** to **5am**.

No work will be carried out on Anzac Day, **Wednesday 25 April**.

Planned night work activities for this week will include:

- installing signage
- installing crash barriers on the Clarence Street off ramp
- survey work on Grosvenor Street
- Concrete work
- work on existing street lights.

There will be some noise associated with this work. We will make every effort to minimise its impact by using less noisy work methods and completing noisier work before **midnight**.

If you have any questions about this work, please call the Sydney Harbour Bridge Projects Team on the 24 hour hotline **1800 677 700** or email **sydneyharbourbridgeprojects@rms.nsw.gov.au**.

Thank you for your patience during this important work.
