Week commencing Monday 16 January: Sydney Harbour Bridge southern toll plaza precinct upgrade

The NSW Government is funding this upgrade to improve safety, simplify traffic movements and improve bus connections to the city.

Roads and Maritime Services need to install some directional signage on the northern approach to the Sydney Harbour Bridge to support the changed traffic conditions ahead.

The work will be located at a sign gantry on the Bradfield Highway just before the Northern Toll Plaza Precinct.

We will be working for two nights from Monday 16 January until Sunday 22 January, weather permitting.

Our working hours are 9:30pm to 4:30am. This will not be noisy work however it does need to happen at night to minimise driver distraction.

If you have any questions about this work, please call the Sydney Harbour Bridge Projects Team on 1800 581 595 or email sydneyharbourbridgeprojects@rms.nsw.gov.au
