

Night work on Mona Vale Road, Forest Way and Garigal Road, Terrey Hills, from Friday 8 September

The NSW Government is funding two intersection upgrades as part of its \$300 million Urban Roads Pinch Point Program and its \$225 million Pinch Point Program, which aim to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services is delivering this project, which involves intersection improvements at Mona Vale Road and Forest Way, and at Forest Way and Garigal Road in Terrey Hills.

We have included a map to show the location of the work and the site compound.

Our work schedule

We will be on site between **Friday 8 September 2017** and **Saturday 30 June 2018**, excluding public holidays, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

Higher School Certificate

We are planning our future work program and would like to know if there are students living in the area who will be sitting the Higher School Certificate (HSC) examinations from Monday 16 October to Friday 10 November. If a member of your household is studying for the HSC, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries_nsw@dmroads.com.au by Friday 22 September.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

The bus stop south of Garigal Road on Forest Way will be permanently relocated to immediately north of Garigal Road as a kerbside bus stop. We have included a map to show the new bus stop location.

Traffic changes

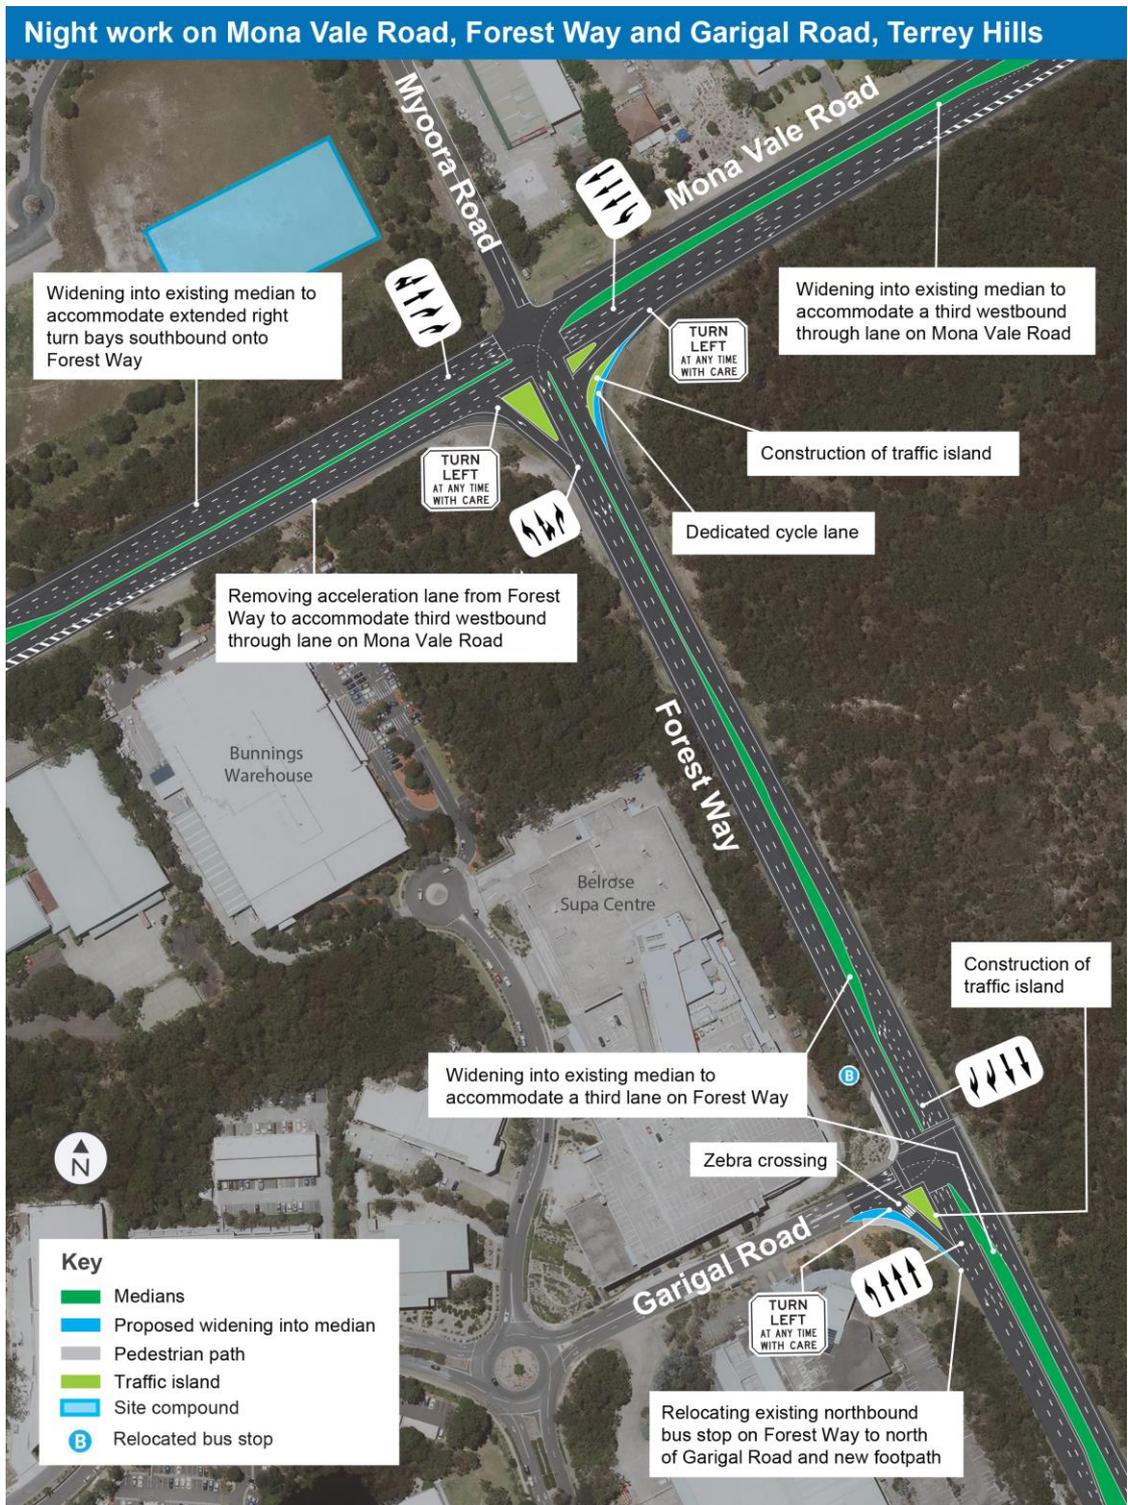

There will be some temporary traffic changes to ensure the work zone is safe. Access to some businesses may be affected during shift hours but traffic controllers will be on hand to make sure you can enter and leave as required.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries_nsw@dmroads.com.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

 If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
