Work continuing at James Ruse Drive, Parramatta from Tuesday 28 June

The NSW Government is funding this project as part of its $246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney’s major roads, particularly during weekday peak periods.

This project was scheduled to be completed in June however due to delays, the work is expected to be finished in September, weather permitting.

Night work will continue from 8pm to 5am, excluding Saturdays. Minor activities that will not impact traffic will be carried out from 7am to 6pm between Mondays and Fridays.

Work completed so far includes extending the right turn bay from James Ruse Drive into Grand Avenue. We will continue to carry out work including:

- Widening James Ruse Drive north of Hassall Street
- Installing new traffic light posts
- Installing a new pedestrian crossing at the traffic lights, across Grand Avenue
- Relocating utilities.

The intersection improvements at James Ruse Drive and Hassall Street are expected to be open to traffic on Thursday 30 June, weather permitting. We will then return to the site in September to complete the final stage of this project, which will include:

- Resurfacing
- Concrete slab work on Hassall Street
- Landscaping.

The community will be notified before this final work starts.

How will this work affect you?

There will be some noise associated with this work but we will make every effort to minimise its impact by completing the noisiest work by 11pm.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
Contact

If you have any questions, please call our delivery partner Downer Mouchel on 1800 332 660 or email nsw_projects@downermouchel.com
