

## Project update – Work continuing on Boundary Street, Roseville (between the Pacific Highway and Melnotte Avenue)

The NSW Government is funding this project as part of its \$225 million Pinch Point Program, which aims to reduce delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

Roads and Maritime Services is continuing to deliver this intersection upgrade, which includes widening Boundary Street and upgrading the intersection of Boundary Street with the Pacific Highway and Corona Avenue. The project will help improve traffic flow and safety for road users.

### Progress so far and the next stage

Roads and Maritime have completed most utility adjustments and road widening work. Work at the Archer Street intersection is now complete and most of the stormwater and pavement construction work is complete. Work still to be done includes:

- pavement construction between Archer Street and the Pacific Highway
- building a centre median and footpaths on Boundary Street
- installing new road signs, applying road marking, removing the site compound and landscaping.

### Our work schedule

There have been some delays due to utility relocations and we now expect to complete construction in late September 2017. We will continue working up to **five nights a week**, including some **weekends**, until **Friday 29 September 2017**. Our **night work** hours will be from **8pm to 5am**, with less noisy construction work between **midnight and 5am**. We will also be working from **7am to 6pm** between **Monday and Fridays** and from **8am to 1pm** on **Saturdays**.

We may need to carry out some utility adjustments after Friday 29 September. We will notify the community if additional shifts are required.

### How will the work affect you?

Our work will be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

---

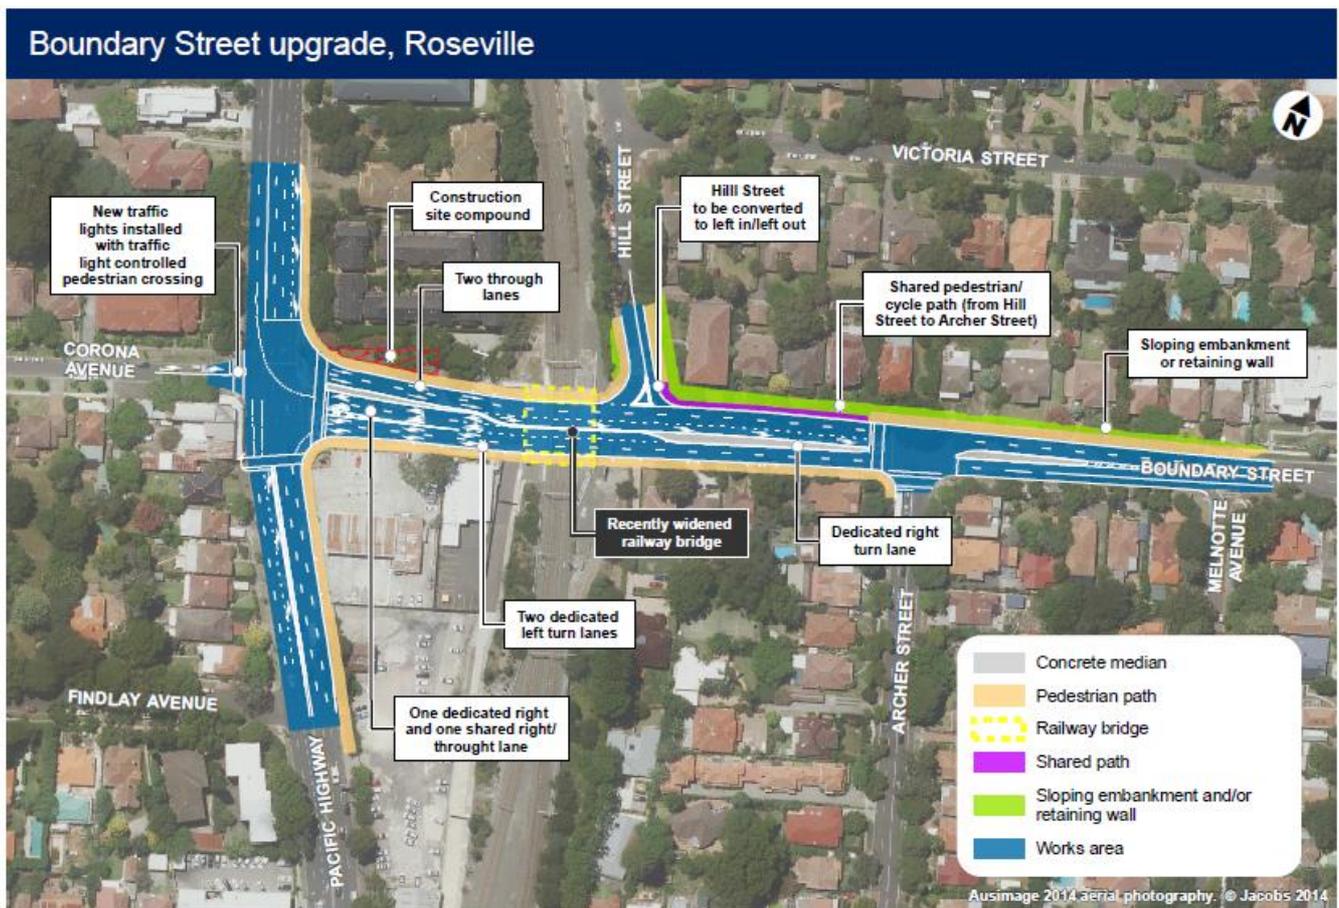

## Temporary traffic and pedestrian changes

There will again be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner DM Roads on 1800 332 660 or email [enquiries\\_nsw@dmroads.com.au](mailto:enquiries_nsw@dmroads.com.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au). Thank you for your patience during this important work.
