

## Project update – Boundary Street, Roseville open to traffic

**The NSW Government is funding this project as part of its \$225 million Pinch Point Program, which aims to reduce delays, manage congestion and improve travel times on Sydney's major roads.**

Roads and Maritime Services has opened this intersection upgrade to traffic. This involved widening Boundary Street and upgrading the intersection of Boundary Street with the Pacific Highway and Corona Avenue. The project will help improve traffic flow and safety for road users.

### Finishing the project

Following the open to traffic status the final works to be completed are:

- final asphalt and road marking
- final landscaping and footpath completion
- Sydney Water utility adjustment. There will be a road plate in place over the utility until this work is completed.

### Our work schedule

In order to complete these final activities we will need to work some night shifts, including some **weekends**, until **Friday 27 October 2017**.

We will contact you separately when the Sydney Water adjustment work is ready to be completed. This adjustment will happen at night.

Our **night work** hours will be from **8pm to 5am**, with less noisy construction work between **midnight** and **5am** and our weekend work will be **8am to 1pm** on **Saturdays**.

### How will the work affect you?

Our work will be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

### Higher School Certificate (HSC)

As we finish this work and plan for the Sydney Water adjustment, we would like to know if there are students living nearby who will be sitting the Higher School Certificate (HSC) examinations. If a member of your household is studying for the HSC, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries\_nsw@dmroads.com.au by Friday 13 October.

---

## Temporary traffic and pedestrian changes

There will again be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner DM Roads on 1800 332 660 or email [enquiries\\_nsw@dmroads.com.au](mailto:enquiries_nsw@dmroads.com.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au). Thank you for your patience during this important work.

## Translating and Interpreting Service

If you need an interpreter, please call TIS National on **131 450** and ask them to call DM Roads on **1800 332 660**.

### Arabic
