

January 2017

Night work on Alfords Point Road, Alfords Point from Wednesday 1 February

The NSW Government is funding this \$40 million project to improve safety and traffic flow on Alfords Point Road between Georges River and Brushwood Drive.

Roads and Maritime Services is continuing with construction work on this important project. As part of this work we will be line-marking the off ramp onto Brushwood Drive from **Wednesday 1 February**.

The work will take up to **two shifts of night work** to complete between **Wednesday 1 February** and **Friday 3 February**, between **7pm** and **5am**, weather permitting. This work will be carried out at night to minimise the impact to motorists and the road network.

We have provided a map to show the location of the work.

How will the work affect you?

There will be some noise and light associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations across this period.

Every effort will be made to focus light only on the working area, however there is likely to be some spill-over of light into some nearby residences.

There will be one lane closure and a detour in place to ensure safe access in and out of the site. Traffic controllers and signs will be in place.

Traffic changes

There will be some temporary traffic changes to make sure the work area is safe.

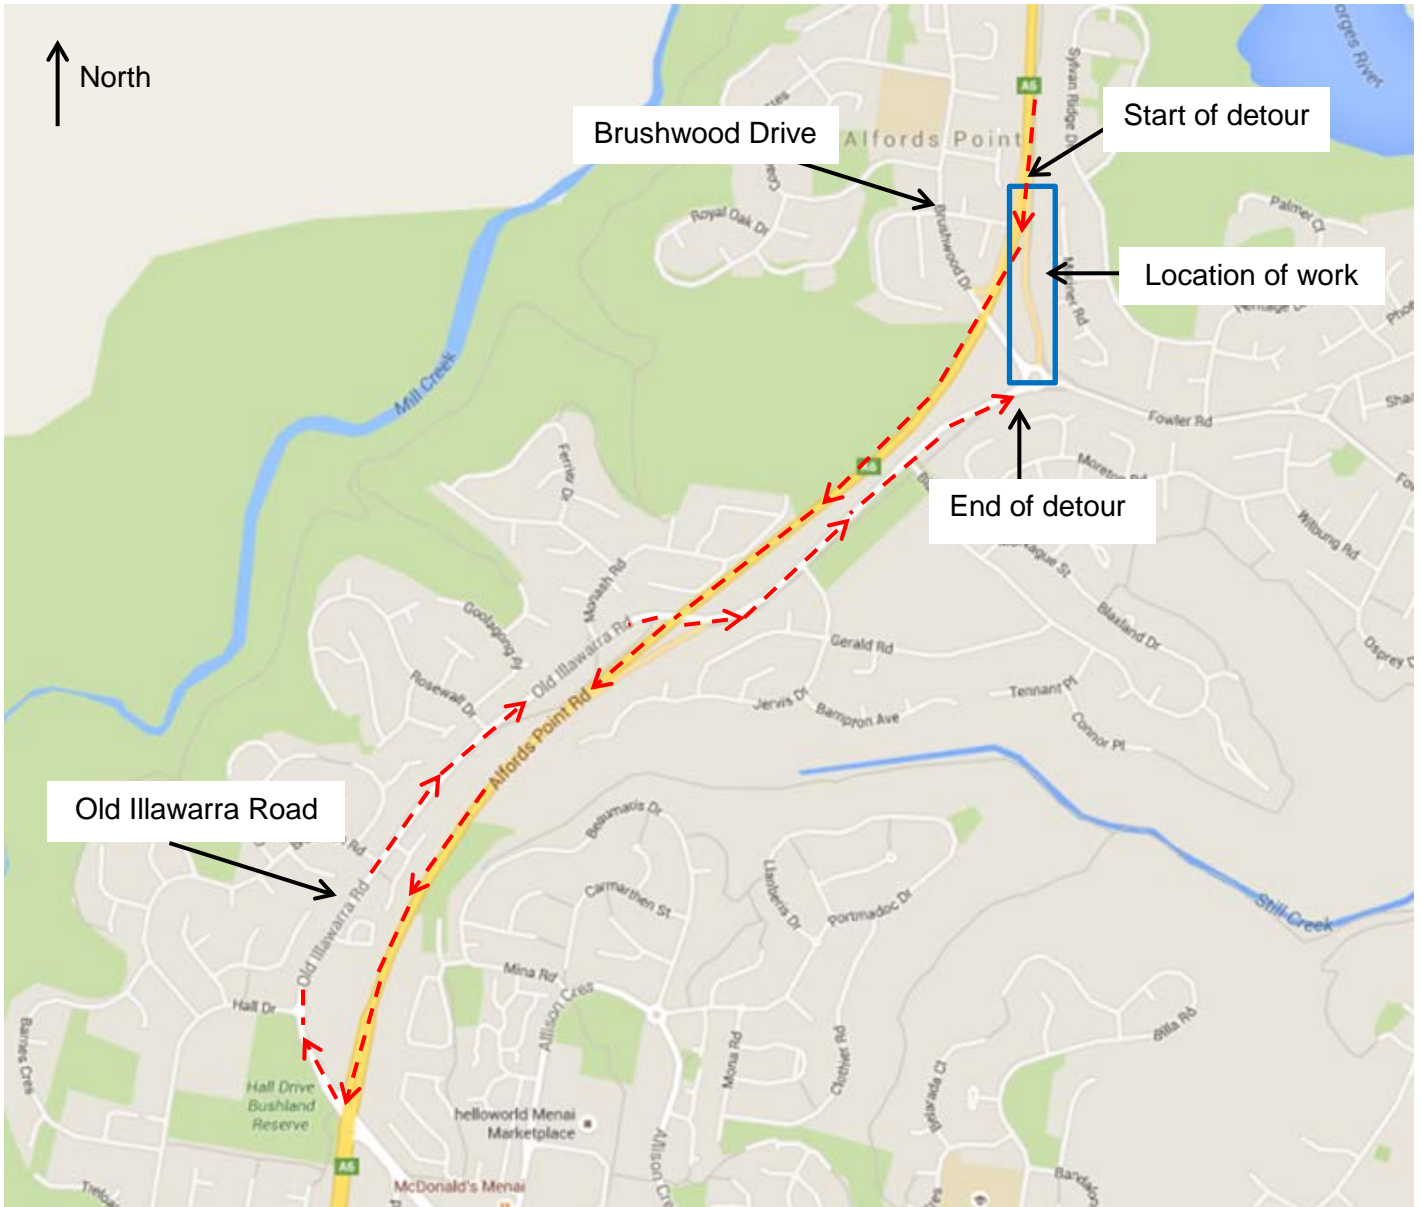

There will be lane closures southbound after 'Georges River Bridge', and the off ramp onto Brushwood Drive will be closed with a detour in place during the night work, however there will be access through to Menai. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our Project Manager Ken Vo on 0407 900 287 or email AlfordsPoint@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au

Thank you for your patience during this important work.
