

Night work at the intersection of Botany Road and Bunnerong Road, Matraville from Monday 9 May

The NSW Government is funding this \$820,000 project as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

Roads and Maritime Services will carry out the work which includes:

- Removing concrete from the median and asphalt
- Installing traffic lights and in-road sensors
- Installing an additional right turn lane from Botany Road into Bunnerong Road
- Installing an additional westbound through lane on Bunnerong Road
- Installing pedestrian crossings and kerb ramps at the traffic lights on the northern and western sides of the intersection
- Installing a CCTV camera to monitor traffic
- Installing two Live Traffic webcams to provide real time traffic information to the public
- Building a footpath between Moorina Avenue and Botany Road
- Replacing asphalt and line marking.

We have included a map to help explain the project.

The work will be completed in two stages. The first stage will take **six** shifts to complete between **Monday 9 May** and **Monday 6 June**, excluding **weekends**, weather permitting. Our working hours will be from **9pm** to **5am**. We will also be working during the day from **7am** to **5pm** between Mondays and Fridays.

We will keep you informed as the project progresses.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise its impact, including carrying out the noisiest work during the day shifts and before **11pm** and not working more than two consecutive nights at this location.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

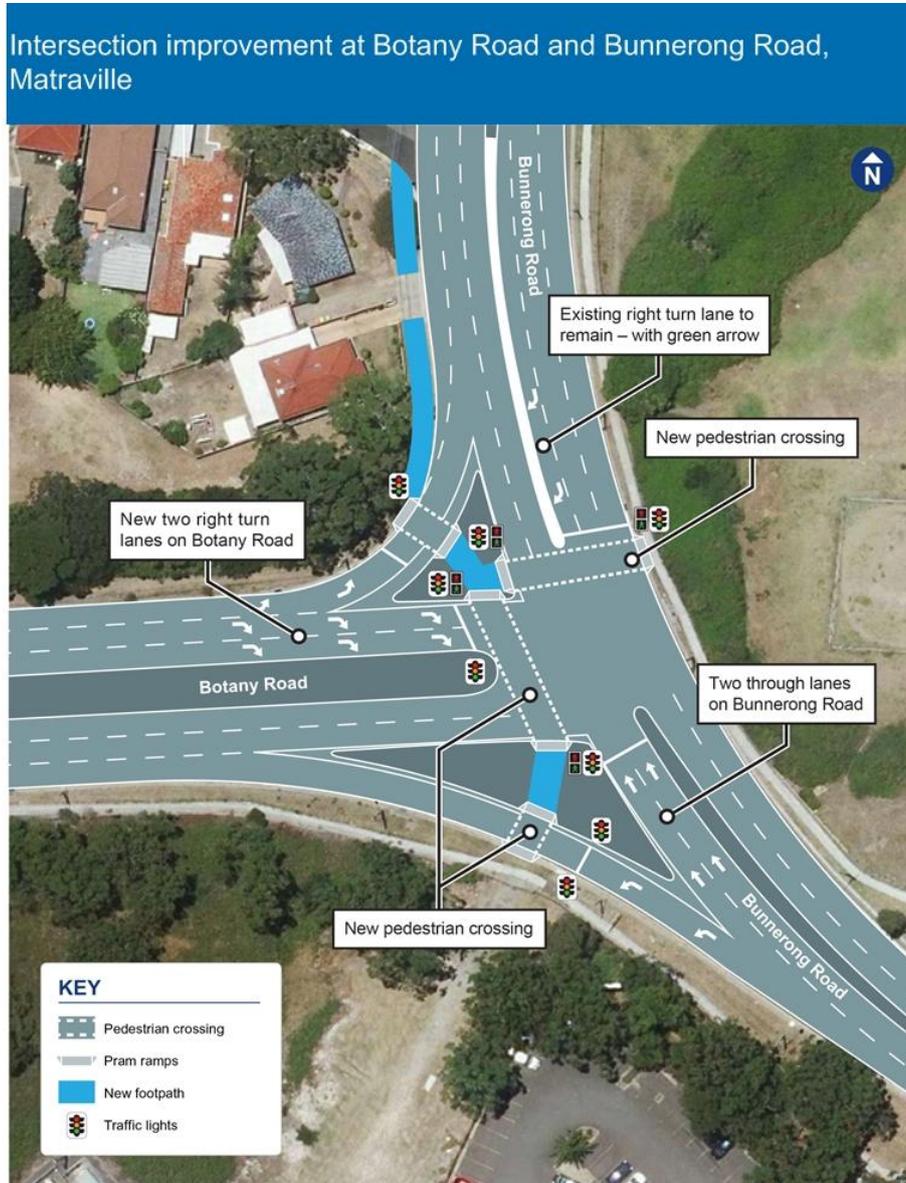

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner LT Joint Venture on 1800 735 563 or email info@ltjv.com.au
