

Project update – Installation of two permanent electronic message signs on Heathcote Road, Lucas Heights

The NSW Government is funding this project as part of its \$300 million Urban Roads Pinch Points Program, which aims to reduce congestion and improve travel time on Sydney’s busiest corridors.

Roads and Maritime Services is continuing work to install permanent electronic message signs at the locations:

- 375 metres north of the intersection of New Illawarra Road to provide eastbound road users with advance notice of incidents on the Princes Highway
- 235 metres south of the intersection of New Illawarra Road to provide westbound road users with advance notice of incidents on the M5 Motorway.

We have updated the design to improve safety and create greater visibility for motorists and this has resulted in changes to the completion date of this work. The work will include installation of the electronic signs, installation of a safety guard rail and finalising the testing of the sign.

The work will take an extra **eight shifts** to complete between **Tuesday 14 March** and **Friday 28 April**, excluding weekends, weather permitting. Our working hours will be between **9pm** and **5am**. To minimise disruption to residents, businesses and road users, we will not work more than two nights in any week. We will also be working during the day between **7am** and **5pm** from **Monday to Friday**.

We have included a map to show the locations of the work.

How will the work affect you?

There may be some noise associated with this work. We will make every effort to minimise its impact, including completing noisier work before **11pm**.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
