

## Completion of intersection improvements on Heathcote Road and Macarthur Drive, Hammondville

The NSW Government provided funding for this project as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

The project is now open to traffic. Roads and Maritime Services has delivered this project to reduce congestion by making changes to the signalised roundabout at Heathcote Road and Macarthur Drive. The new traffic lights and median will:

- Allow northbound road users more frequent movement through the roundabout by limiting the time southbound road users have to turn right into Macarthur Drive
- Allow southbound road users travelling straight on Heathcote Road to move freely through the roundabout when the lights are in operation
- Stop southbound road users on Heathcote Road turning right from the left hand lane.

### Other work in your area

Roads and Maritime are currently finalising plans to improve the intersection of Bardia Parade and Walder Road, Hammondville.

### Contact

If you have any questions, please contact our delivery partner DownerMouchel on 1800 332 660 or email [nsw\\_projects@downermouchel.com](mailto:nsw_projects@downermouchel.com).
