

Investigation work for proposed intersection improvements at Henry Lawson Drive, Rabaul Road, Endeavour Road, Haig Avenue and Beale Street, Georges Hall from Tuesday, 28 November

The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services will be carrying out investigation work help develop a design for intersection improvements at Henry Lawson Drive and Rabaul Road, Georges Hall. We have included a map to show the location of work.

We will be surveying and drilling to establish ground conditions and locate stormwater drainage and underground utilities. We will also be carrying out a traffic survey which will require a camera to be affixed to a traffic light on Haig Avenue for up to seven days.

Our work schedule

We will be on site for **ten night shifts** and **ten day shifts** between **Tuesday, 28 November 2017** and **Wednesday, 28 February 2018**, excluding public holidays, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday**.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
