

Investigation work on the Princes Highway, Blakehurst, from Monday 25 June

The NSW Government is funding this investigation as part of its \$300 million Gateway to the South Pinch Points program which will improve traffic flow on Sydney's key southern road corridors by upgrading major intersections.

Roads and Maritime Services will be carrying out investigation work on the Princes Highway in Blakehurst. Parts of some side streets will also be included. The investigation work will help to continue the design for removal of the tidal flow traffic arrangement on the Princes Highway between James Street and south of Torrens Street.

The work includes surveying and mapping of some underground pits. We will be digging, drilling and trenching during the night, and cutting small areas of concrete footpath during the day.

We have included a map to show the location of the investigation work.

Our work schedule

We will be on site for **three night shifts** and **two day shifts** between **Monday 25 June** and **Monday 30 July**, weather permitting. Our night work hours will be between **8pm** to **5am** from **Sunday** to **Friday**. Our day work hours will be from **7am** to **6pm** on **Monday** to **Friday** and between **8am** to **1pm** on **Saturday**.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **11pm**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
