

Have your say – Access changes at the intersection of the Princes Highway, King Georges Road and Stuart Street, Blakehurst

The NSW Government is funding this \$300,000 proposal to ease congestion for road users.

Roads and Maritime Services is seeking your feedback on a proposal to improve traffic flow through the intersection of Princes Highway and King Georges Road and reduce congestion.

We have received a lot of comments on this proposal as well as requests to extend the consultation period. In response to this feedback from the community, we have extended consultation until **Friday 29 January**.

The work would include:

- Building a new median on Stuart Street to create left in and left out only access
- Banning the northbound movement from Stuart Street to the Princes Highway
- Banning the through movement from Princes Highway southbound into Stuart Street
- Banning the right turn movement from Princes Highway southbound into King Georges Road from 6am to 10am and 3pm to 7pm
- Upgrading and installing new signage and line-marking.

We have included a map to help explain the proposal.

How can you give feedback?

We encourage you to send us your comments by **Friday 29 January** to:

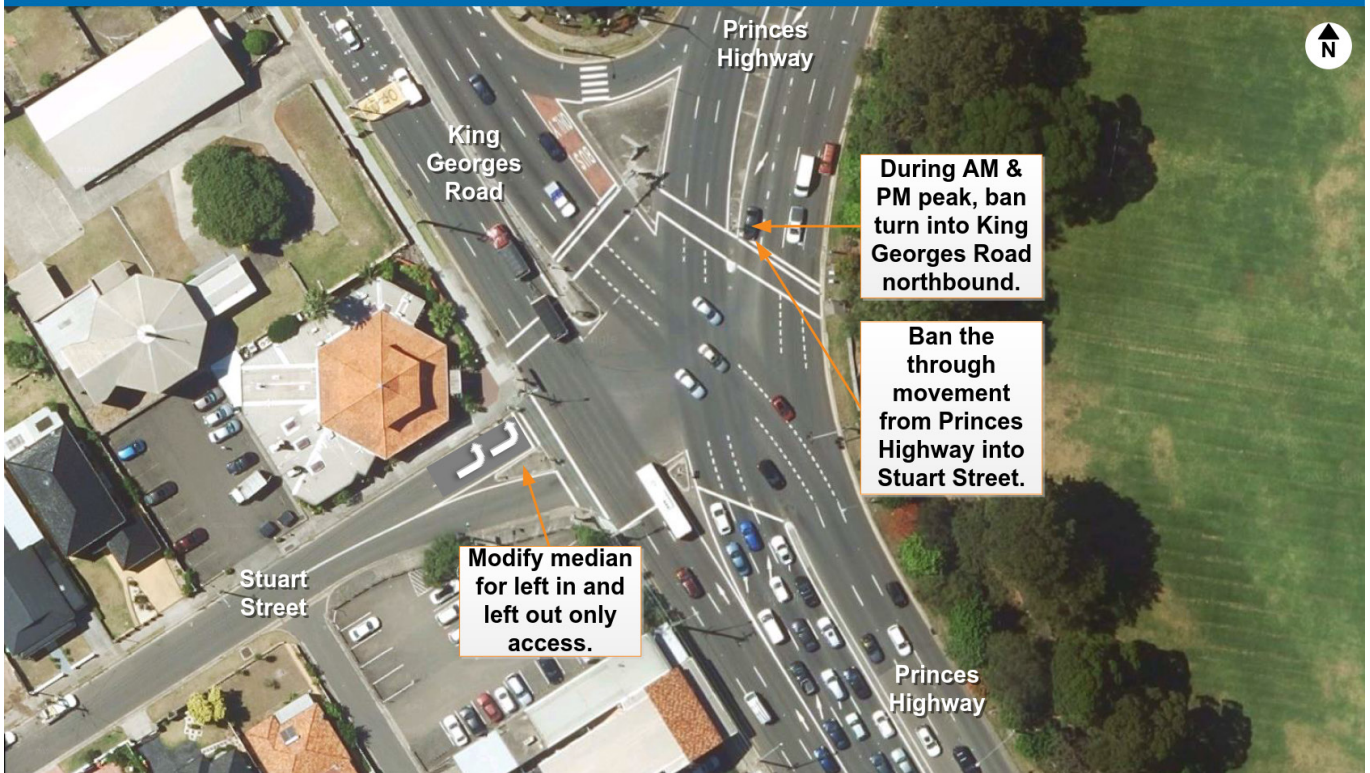

LT Joint Venture
PO Box 380
Rockdale NSW 2216
Or email: info@ltjv.com.au.

We will carefully consider your feedback and continue to keep you updated as the proposal progresses.
