

Project update – Milperra Road and The River Road, Revesby

The NSW Government is funding this important project as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney’s major roads, particularly during weekday peak periods.

Roads and Maritime Services is continuing to deliver this project which involves increasing capacity for cars turning right from Milperra Road into The River Road. Work started in March 2016 and due to wet weather and utility relocation is now expected to be completed in early November, weather permitting.

Are you studying for the Higher School Certificate?

We are planning our future work program and would like to know if there are any students residing near the project area, who are sitting for Higher School Certificate examinations between Thursday 13 October and Friday 4 November 2016.

If a member of your household is studying for the Higher School Certificate, please contact our delivery partner Ventia Boral Amey Joint Venture (VBA JV) by **Monday 12 September**.

Construction update

Since March 2016, we have:

- Widened the southern side of Milperra Road to allow for the extension of the right turn lane
- Adjusted kerb, gutter, drainage and driveways on the southern side of Milperra Road
- Relocated light poles and utilities.

The next stage of work will include:

- Providing an additional right turn lane from Milperra Road into The River Road
- Extending the existing right turn lane on Milperra Road by 220 metres
- Removing and replacing asphalt
- Adjusting existing traffic lights
- Line marking.

We will continue to work at night from **8pm to 5am**, excluding **Saturdays** between **Sunday 4 September** and **Friday 4 November**.

We will also be working during the day from **7am to 6pm** between **Mondays** and **Fridays** and from **8am to 1pm** on **Saturdays**.

Working hours during the Higher School Certificate period, between Thursday 13 October and Friday 4 November, will be planned in consultation with nearby schools and students.

Contact

If you have any questions, please call our delivery partner VBA JV on 1800 677 700 or email nswenquiries@vbajv.com.au.
