

Night work on Milperra Road, Revesby from Sunday 6 March

The NSW Government is funding improvements at the intersection of Milperra Road and The River Road as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney's major roads, particularly during weekday peak periods.

Roads and Maritime Services sought feedback from the community and stakeholders in November and December 2015 on a proposed night construction work schedule for the intersection upgrade. We would like to thank everyone who took the time to consider the work schedule.

No concerns were expressed with the proposal, and we have decided to proceed with working **five nights** a week for **12 weeks**, with the noisier work to be completed before **11pm**.

The project includes:

- Extending the existing right turn lane on Milperra Road by 220 metres
- Providing a dual right turn bay from Milperra Road into The River Road
- Widening the southern side of Milperra Road to allow for the extension of the right turn lane
- Adjusting kerb, gutter, drainage and driveways on the southern side of Milperra Road
- Relocating light poles and utilities
- Asphaltting and line marking.

We will be on site between **Sunday 6 March** and **Sunday 29 May**, weather permitting. Our night shift hours will be from **8pm** to **5am**, excluding **Fridays** and **Saturdays**.

We will also work from **7am** to **6pm** between **Mondays** and **Fridays** and from **8am** to **1pm** on **Saturdays**.

How will the work affect you?

There will be noise associated with this work but we will make every effort to minimise its impact. We have included a table to help explain the type of equipment we will use and our planned activities.

Noisier construction activities and equipment	Less noisy construction activities and equipment
Saw-cutting concrete Jack-hammering Breaking up concrete	Excavating and loading trucks with material Reversing alarms Compacting new road layers Laying new concrete Installing traffic light posts Removing asphalt Line marking

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Some bus stops may be obstructed during the work. Traffic controllers will redirect commuters to the nearest alternative stopping point as required.

Contact

If you have any questions, please call our delivery partner Ventia Boral Amey Joint Venture on 1800 677 700 or email nswenquiries@vbajv.com.au. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
