

## Night work on Milperra Road, Revesby from Sunday 22 March

Roads and Maritime Services is carrying out investigation work to help finalise the detailed design at the intersection of Milperra Road and The River Road on behalf of the NSW Government.

---

This work includes excavating small areas in the road to inspect underground utilities. The investigations are part of the detailed design for safety improvements at the intersection.

This work will be carried out in **two shifts** between **8pm to 5am** between **Sunday 22 March and Friday 3 April, excluding Saturdays**, weather permitting.

### Changed traffic conditions

Lane closures will be in place while the work is carried out to ensure the safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs. Motorists may experience delays due to these changed traffic conditions.

There will be noise associated with this work, but every effort will be made to minimise the impact on residents and businesses.

We apologise for any inconvenience this work may cause and appreciate the patience of residents and road users.
