

## Have your say – Night work on Milperra Road, Revesby

**The NSW Government is funding improvements at the Milperra Road and The River Road intersection as part of its \$246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and maintain travel times on Sydney's major roads.**

Roads and Maritime Services is delivering this project, and is seeking your feedback by **Wednesday 9 December** on a proposed night work schedule, which involves working up to **five** nights a week for **12** weeks.

The project includes:

- Extending the existing right turn lane on Milperra Road by 220 metres
- Providing a dual right turn bay
- Widening the southern side of Milperra Road to allow for the extension of the right turn lane
- Adjusting kerb, gutter, drainage and driveways on the southern side of Milperra Road
- Relocating light poles and utilities
- Resurfacing asphalt

### Have your say

Under our proposed schedule, we would work up to **five** nights a weeks, carrying out noisy work until **11pm**. We would complete the project in **12** weeks, so as to minimise the disruption period for residents and road users.

As an alternative, we could extend the project to a **17 week** period, working up to **three nights** a week and carrying out noisier work until **midnight**.

For each option, our work hours would be from **8pm** to **5am**, excluding **Saturdays**, weather permitting. We may also work some day shifts, from **10am** to **2pm**, between **Mondays** and **Fridays**.

We have included a table of the types of equipment we will be using and our planned activities.

Noisier construction activities and equipment	Less noisy construction activities and equipment
Saw-cutting concrete Jack-hammering Breaking up concrete	Excavating Loading trucks with excavated material Reversing alarms Compacting new road layers Laying new concrete Installing traffic light posts Removing asphalt Line marking

## How can you give feedback?

We welcome your feedback on our proposed night work schedule, or its alternative, by **Wednesday 9 December**. Please send your written comments to our delivery partner:
