

## Project update – All year round Clearway on the Princes Highway, from Jennings Road to Heathcote Road, Heathcote

### The NSW Government is acting to reduce congestion and delays on Sydney's roads by introducing clearways.

In May and June 2016, Roads and Maritime Services sought comments from the community and stakeholders on a proposal to extend the months of operation of the current clearway the Princes Highway between Jennings Road and Heathcote Road, Heathcote.

The proposal included extending the existing clearway to operate all year round from 3pm to 7pm on Sundays and Public Holidays. The existing clearway is in operation from October to April.

We would like to thank everyone who took the time to consider our proposal and provide feedback. We received comments from 29 people and businesses. Six supported the proposal, three were neutral, and 20 were opposed to the proposal. Key matters raised included congestion, alternative business parking, impacts to businesses and safety.

We have prepared a Community Consultation Report, which summarises the feedback and our responses. A copy of this report is available at [www.rms.nsw.gov.au/clearways](http://www.rms.nsw.gov.au/clearways) or by contacting the project team. We have considered all of the comments and have decided to proceed with our proposal.

Following a review of the matters raised, we have decided to install parking signs to help direct motorists to street parking. These signs will be installed before both Oliver Street and Veno Street.

### What happens next?

The new clearway will be in operation all year round from **3pm to 7pm on Sundays and public holidays**.

Roads and Maritime will carry out the work, which includes installing signs. This work will take **2 shifts** to complete from **Friday 26 August to Saturday 27 August**, weather permitting. Our working hours will be from **9pm to 5am**.

The changes to the clearway will be in place from **Sunday 28 August 2016**. Any vehicles parked in the clearway on or after this date would risk being towed.

### What is a clearway?

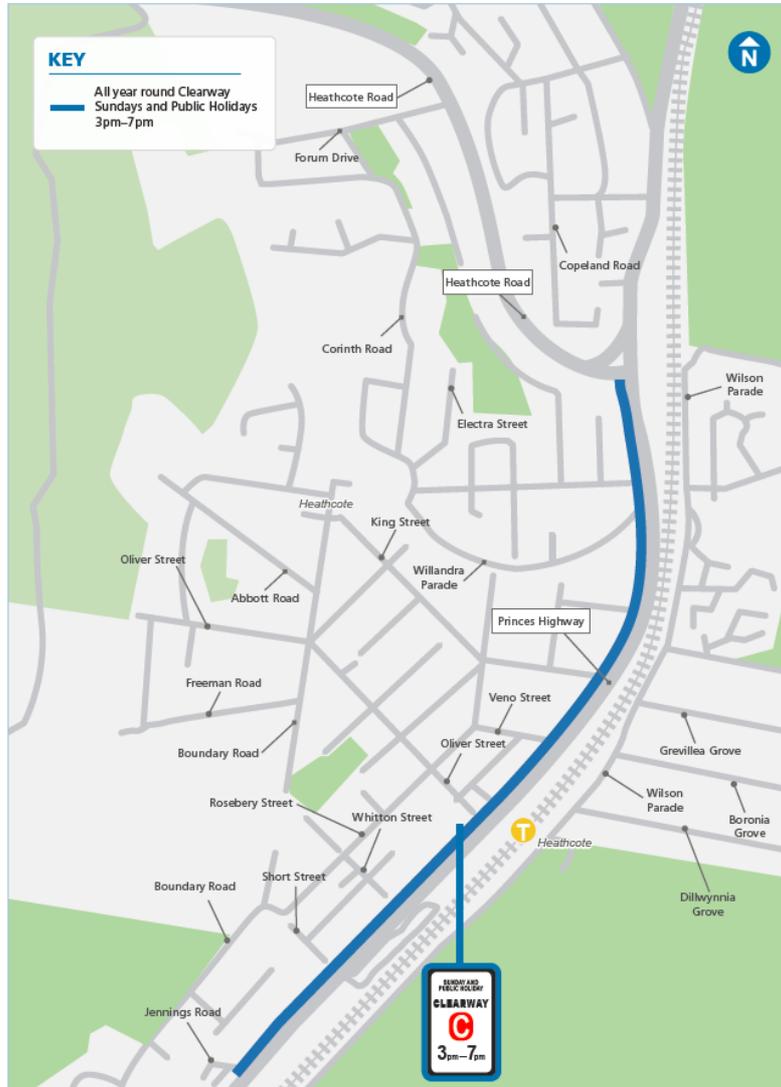

You must not stop or park on a length of road where a clearway sign is present. The drivers of public buses and taxis are permitted to stop when dropping off or picking up passengers. If your vehicle is left in a clearway it will be towed away, usually to a nearby street, and fines apply.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

---

## Contact

For further information or to request a copy of the report please contact the Clearways project team on 1300 706 232 or email [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au).

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 706 232

#### Arabic
