Extension of the temporary closure of Eastwood Road and Bringelly Road intersection, Leppington from Monday 2 July 2018

The Australian and NSW governments are funding this work as part of the $509 million Bringelly Road upgrade between Camden Valley Way, Leppington, and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

As part of this Bringelly Road upgrade, Roads and Maritime Services is upgrading intersections along Bringelly Road. This work involves temporarily closing Eastwood Road, Leppington.

Due to slower than expected progress to date, the temporary closure of Eastwood Road and Bringelly Road intersection will be extended until the end of the project in late 2018, weather permitting. We apologise for this continued inconvenience.

The existing temporary detour will remain in place to direct traffic around the work. The attached map shows the temporary closure and detour.

**How will the work affect you?**

Our work may be noisy at times but every effort will be made to minimise the impact on residents.

**Traffic changes**

A detour will be in place via Rickard Road, Ingleburn Road and Eastwood Road.

Access to properties will be maintained during the closure and work.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**

If you have any questions, please contact our delivery partner, BMD Constructions, on 1800 199 009 or bringellyroadupgrade@bmd.com.au or visit www.rms.nsw.gov.au/bringellyroad.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan visit rms.nsw.gov.au/wsip.
