January 2016

**Temporary closure of Fourth Avenue between Bringelly Road and Fifth Avenue, Austral from Monday 11 January**

The Australian and NSW governments are funding this work under the $509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. As part of the project, the intersection at Bringelly Road and Fourth Avenue will be upgraded.

To carry out this part of the upgrade, Fourth Avenue will be temporarily closed between Bringelly Road and Fifth Avenue for around three months.

The temporary closure will be in place from **Monday 11 January 2016** to **Friday 11 March 2016**, weather permitting. Work will be carried out during standard construction hours (7am to 6pm Monday to Friday and 8am to 1pm on Saturdays).

The attached map helps to better explain the temporary closure and detour.

**Traffic changes**

Access to properties on Fourth Avenue will be maintained during the work. All other traffic will be detoured via Edmondson Avenue and Fifth Avenue. Pedestrian and cyclist access on Fourth Avenue will be maintained.

Electronic message signs will be in place to direct road users around the road closure.

There may be some short delays to traffic along Bringelly Road and Edmondson Avenue.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.
Western Sydney Infrastructure Plan
The Australian and NSW governments are funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.
