Traffic changes at the intersections of Bringelly Road and Browns Road, and Bringelly Road and Rickard Road Austral from Friday 13 May

The Australian and NSW governments are funding this work under the $509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. As part of this work, traffic will be moved onto the new road alignment at the intersections of Bringelly Road and Browns Road and Bringelly Road and Rickard Road, Austral. The intersections are being aligned to improve safety and prepare for the new traffic lights.

Night work will be carried out on Browns Road between 7pm and 5am on Thursday 12 May 2016 weather permitting. Traffic will travel on the new alignment from Friday 13 May, 2016.

Night work will be carried out on Rickard Road between 7pm and 5am on Monday 23 May weather permitting. Traffic will travel on the on the new alignment from Tuesday 24 May, 2016.

Edmondson Avenue remains closed during the work. The attached map helps to explain the location of the work and the new intersection alignment.

How will the work affect you?

There will be some noise and lights associated with this work, but every effort will be made to minimise the impact on residents.

Traffic changes

Pedestrian and cyclist access along Browns Road and Rickard Road will be maintained throughout the work. Access to private properties will be maintained from the existing Browns Road and Rickard Road. Traffic controllers and electronic message signs will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
