Night work at the intersection of Fourth Avenue and Bringelly Road, Austral and between Skyline Crescent and Camden Valley Way, Leppington, Monday 12 March 2018

The Australian and NSW governments are funding this work as part of the $509 million Bringelly Road upgrade between Camden Valley Way, Leppington, and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to upgrade Bringelly Road between Camden Valley Way, Leppington and The Northern Road, Bringelly. As part of this work we will be line marking at the intersection of Fourth Avenue and Bringelly Road, Austral and halfway between Skyline Crescent and Camden Valley Way, Leppington.

Line marking will take place at night, when traffic flows are low, between 7pm and 5am on Monday 12 March 2018, weather permitting.

The attached map helps explain the locations of the work.

How will the work affect you?

Our work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use and completing noisier activities earlier in the night.

Traffic changes

Access to properties will be maintained during the work.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, BMD Constructions on 1800 199 009 or bringellyroadupgrade@bmd.com.au or visit www.rms.nsw.gov.au/wsip.

Thank you for your patience during this important work.
Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan visit rms.nsw.gov.au/wsip.
