Night work and traffic changes on Dickson Road, Eastwood Road and Bringelly Road, Leppington from Tuesday 27 March 2018

The Australian and NSW governments are funding this work as part of the $509 million Bringelly Road upgrade between Camden Valley Way, Leppington, and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to upgrade Bringelly Road, as part of this work we will be upgrading intersections along Bringelly Road. This upgrade involves temporarily closing Eastwood Road and reopening Dickson Road, Leppington.

Preparation for this traffic change will take place at night when traffic volumes are lower between 7pm and 5am on Tuesday 27 and Wednesday 28 March 2018, weather permitting. Work includes asphalting, barrier movement and line marking. New traffic arrangements will be in place between 5am and 10am from Thursday 29 March 2018, weather permitting.

We have included a map to help show the location of the traffic changes and night work.

How will the work affect you?

There will be some noise associated with this night work, but every effort will be made to minimise the impact on residents. Resident and pedestrian access will be maintained.

Traffic changes

Dickson Road will reopen and be left in and left out only from Thursday 29 March, weather permitting. Traffic from Fourth Avenue heading to Bringelly Road will only be able to go left and right, no through to Dickson Road.

A temporary road closure will also be in place on Eastwood Road between Bringelly Road and the railway bridge, Leppington from Thursday 29 March for about three months, weather permitting. A detour will be in place via Rickard Road, Ingleburn Road and Eastwood Road.

There will also be a temporary no right turn into Edmondson Avenue from Tuesday 27 March for two weeks to allow for intersection upgrades with Rickard Road.

Access to properties will be maintained during the closure and work.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, BMD Constructions, on 1800 199 009 or bringellyroadupgrade@bmd.com.au or visit www.rms.nsw.gov.au/projects/sydney-west/.

Thank you for your patience during this important work.
Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan visit rms.nsw.gov.au/wsip.
