Changed traffic arrangements at the intersection of Bringelly Road, Cowpasture Road and Camden Valley Way, Leppington from Wednesday 23 March

The Australian and NSW governments are funding this work under the $509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. Traffic will be moved onto new left turning lanes at the intersection of Bringelly Road, Cowpasture Road and Camden Valley Way, Leppington. These alignment changes will increase capacity at the intersection and alleviate traffic congestion.

The switch and preparation work will be carried out from Monday 21 to Wednesday 23 March 2016, weather permitting. Work will be carried out between 7pm and 5am. Work will also be carried out during standard construction hours (7am to 6pm Monday to Friday and 8am to 1pm on Saturdays).

The attached map helps to better explain the traffic switch.

How will the work affect you?

There will be some noise associated with this night work, but every effort will be made to minimise the impact on residents.

Traffic changes

From Wednesday 23 March, all eastbound traffic on Bringelly Road will travel on new eastbound lanes. Westbound traffic will remain unchanged. Road users turning left from Cowpasture Road into Camden Valley Way will use new dedicated turning lanes. Motorists turning left from Bringelly Road into Cowpasture Road will also be able to use a new dedicated turning lane.

Line marking will also be installed to provide dual right turn lanes from Camden Valley Way into Cowpasture Road.

Electronic message signs will be in place to direct road users around the road closure.

There may be some short delays to traffic at the intersection as traffic controllers help trucks to safely enter and exit our construction site.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on 1800 199 009 or email bringellyroadupgrade@bmd.com.au or visit rms.nsw.gov.au/bringellyroad.

Thank you for your patience during this important work.
Western Sydney Infrastructure Plan
The Australian and NSW governments are jointly funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.
