Night work on Bringelly Road, Leppington from Wednesday 7 October

The Australian and NSW governments are funding this work as part of the $509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and King Street, Rossmore. This project is part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will carry out work, which includes installing safety barriers and temporary traffic signage, removing vegetation, locating and protecting utility services, saw cutting, removing existing road surface, earthworks and building the new road surface. The enclosed map helps to show the location of the work.

To minimise traffic disruptions, we are extending our work hours to include six night shifts each month. The work will be carried out from **Wednesday 7 October until late 2017**, weather permitting. Our working hours will be from **7pm to 5am, Monday to Friday**. Currently this work will be limited to a maximum of two nights in a row at any one location. Individual properties will be advised when night work will take place close-by.

We will visit properties in the coming weeks to consult with affected residents regarding potentially varying work hours to speed up progress and reduce disruption to the community.

**How will the work affect you?**
We will make every effort to minimise noise at night by doing the noisiest work early in the shift. Saw cutting and grinding will finish by 11pm, while lower impact noisy work including reversing beepers and general machine operations will be carried out from 11pm to 5am.

**Traffic changes**
Access to properties will be maintained throughout the work. There may be occasional short delays to traffic along Bringelly Road as traffic controllers help our contractor’s trucks to safely enter and exit our construction sites.

Temporary lane closures will be in place to ensure the safety of road users and workers. Please follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**
If you have any questions, please call our project team on **1800 199 009** or email bringellyroadupgrade@bmd.com.au or visit rms.nsw.gov.au/bringellyroad.

Thank you for your patience during this important work.
Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan (WSIP) will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on WSIP projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on 131 450 and ask them to telephone Roads and Maritime Services on 1800 703 457.

Arabic

Do you need an interpreter? Please call 131 450 for assistance with translation services.

Cantonese

Need a Cantonese interpreter? Please call 131 450 for assistance with translation services.

Filipino

Need a Filipino interpreter? Please call 131 450 for assistance with translation services.

Hindi

यदि आपको अन्य भाषाओं की मदद की आवश्यकता है तो कृपया टॉल फ्री नंबर 131 450 पर कॉल करें और आपको इस्तेमाल करने की आवश्यकता हो तो कृपया संपर्क कीजिए।

Italian

Se desidera l’assistenza di un interprete, prego telefonare al Servizio Interprete (TIS National) al 131 450 chiedendo di contattare I Servizi Stradali e di Transporti Marittimi al 1800 703 457.

Mandarin

如需洽谈口译服务，请致电131 450与道路及海事服务部门联系。

Vietnamese

Nếu cần thông ngôn viên, xin quay về số 131 450 để liên hệ với Bộ GTVT và Các Dịch vụ đường bộ và đường thủy.
