

Project update - Intersection improvements on Cumberland Highway and Merrylands Road, Greystanes

Roads and Maritime Services | July 2018

The NSW Government is funding this work as part of its \$300 million Urban Roads Pinch Points Program aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services is delivering this project which includes upgrading the intersection of Cumberland Highway and Merrylands Road, Greystanes.

This project will improve efficiency, safety and congestion on Sydney's road network.

Progress so far and the next stage

So far we have completed the setup of the site compound, tree and shrub removal, removed existing medians on all approaches, temporarily moving the westbound bus bay and adjustments to the footpath and kerbs.

The next stage of work includes:

- installing dual right turn lanes east and westbound on Merrylands Road and northbound on Cumberland Highway
- installing barriers along Cumberland Highway on the south east corner of the intersection
- adjusting the central road medians on all approaches of the intersection to accommodate the new turning lanes
- realigning a left turn slip lane on the Cumberland Highway to accommodate the new intersection layout
- adjusting the existing traffic signals to support the new intersection

Our work schedule

We will be on site for up to **six days** and **five nights a week** for up to **163 night shifts** and **160 day shifts** over a 33 week period, between **Monday 30 July 2018** and **mid-2019**, weather permitting.

Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

We will not be working on public holidays.

The site compound located at 35 Pavesi Street, Smithfield will be used as a site office and to store material throughout the project.

We have included a map showing the location of work and our site compound.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier tasks by **midnight**.

Higher School Certificate

We are planning our future work program and would like to know if there are any students living in the area who are sitting the Higher School Certificate (HSC) examinations in 2018.

If a member of your household is studying for the HSC, please contact our delivery partner DM Roads at nsw_projects@dmroads.com.au by **Wednesday 5 September**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

The west bound bus stop on Merrylands Road opposite Ringrose Avenue will be temporarily relocated approximately 40m west of the current bus stop throughout this project. The bus stop will re-open when the project is complete.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
