Start of work for intersection improvements on the Cumberland Highway, Cabramatta from Monday 10 October

The NSW Government is funding this project as part of its $246 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney’s major roads, particularly during weekday peak periods.

Roads and Maritime is upgrading the intersection of Cabramatta Road and the Cumberland Highway. The benefits include:

- Improving traffic flow, efficiency and safety on the Cumberland Highway
- Improving safety for pedestrians crossing Links Avenue
- Reducing queuing and waiting times.

Stage one of construction will start on Monday 10 October. Up to 15 night shifts are planned between Monday 10 October and Friday 23 December, excluding Saturdays, weather permitting. Our night time working hours will be from 8pm to 5am.

We will also be working during the day from 7am to 6pm excluding Sundays and public holidays.

No work will be carried out over the Christmas and New Year holiday period from Thursday 22 December to Tuesday 3 January.

We have included a map to help explain the project.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the noisiest work before midnight.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the directions of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
