Project update - Work at the intersection of Hoxton Park Road and Hill Road, Lurnea

The NSW Government is funding this work as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors.

In July and November 2016, Roads and Maritime Services sought community feedback on a proposal to construct a dedicated left turn lane from Hoxton Park Road into Hill Road at the intersection of Hoxton Park Road and Hill Road, Lurnea. The new dedicated left turn lane will reduce congestion westbound and improve safety by reducing the number of rear-end crashes from motorists changing lanes.

After considering all responses, along with the proposal’s aims and design requirements, we have decided to proceed with the proposal unchanged.

We have included a map to show the location of the work.

Our work schedule

Work will take place between Wednesday 19 April and Wednesday 25 October 2017, excluding public holidays and Sundays, weather permitting. Our day work hours will be between 7am and 6pm from Monday to Friday and between 8am and 1pm on Saturday. Our night work hours will be between 8pm and 5am from Monday to Saturday.

As part of this work, we will set up a site compound within the construction zone. The compound will be used for the duration of the project with truck movements in and out of the construction zone.

How will the work affect you?

Our work may be noisy at times and we will make every effort to minimise its impact, including staging work and completing the noisier activities by midnight.

Also, the existing bus stop on Hoxton Park Road before Hill Road will be temporarily relocated during construction. This is to ensure the safety of pedestrians and workers. The bus stop will be relocated approximately 150 metres west of the current bus stop. We have included a map to show the relocated bus stop location.

Contact

If you have any questions, please contact our delivery partner, DownerMouchel, on 1800 332 660 or enquiries_nsw@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
New left turn lane from Hoxton Park Road into Hill Road, Lurnea

Widening of Hoxton Park Road to build a dedicated left turn lane into Hill Road

Bus stop will be temporarily located

‘No stopping’ signs on both sides of Hill Road, between Hoxton Park Road and Taloma Avenue

‘Do Not Queue Across Intersection’ signage on Hill Road

Left turn signal for motorists turning left into Hill Road

Temporary bus stop location

KEY
- ‘No Stopping’ sign
- Pedestrian footpath
- Construction zone and site compound
- Temporary bus stop
- Left turn lane

Translating and Interpreting Service

If you need an interpreter, please call TIS National on 131 450 and ask them to call DownerMouchel on 1800 332 660.
