Have your say – Proposed intersection improvements at Hoxton Park Road and Hume Highway, Liverpool

The NSW Government is funding this proposal as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors

Roads and Maritime Services is inviting your feedback by Monday, 11 December on proposed intersection improvements at Hoxton Park Road and Hume Highway, Liverpool.

The proposal includes:

- providing an additional southbound right turn lane from the Hume Highway onto Hoxton Park Road
- widening to the west on the Hume Highway to accommodate the additional southbound right turn lane
- relocating the median, pedestrian crossing and stop line on Hoxton Park Road to accommodate dual right turns from the Hume Highway
- relocating utilities to suit the new configuration.

Key benefits

The proposal will:

- reduce congestion
- improve travel times particularly in peak hours
- improve traffic flow at this intersection and approaches
- improve safety for pedestrians and road users.

We have included a map to show the location of the proposal.
