Investigation work on Memorial Avenue, Kellyville from Wednesday 24 July

The NSW Government is upgrading Memorial Avenue to a four lane road to meet the future transport needs of Sydney’s north west.

Roads and Maritime Services is upgrading Memorial Avenue to manage current traffic and to meet the future transport needs of Sydney’s north west. The project benefits include:

- reducing congestion and improving traffic flow by widening the road from two lanes to four lanes
- improving safety for road users by installing:
  - traffic lights
  - a central median to separate traffic travelling in opposite directions
  - off-road shared paths for cyclists and pedestrians
- reducing travel times for local residents and motorists traveling between Blacktown and Castle Hill.

As part of the project, we need to carry out investigation work along Memorial Avenue between Old Windsor Road and Windsor Road from Wednesday 24 July 2019.

The work will include utility, soil and pavement investigations at a number of locations along Memorial Avenue and also at the intersections of Memorial Avenue with Old Windsor Road and Windsor Road. We will repair any disturbed footpaths or road following the work.
Our work schedule

We will be on site for up to **twenty five day** and **twenty night shifts** between **Wednesday 24 July** and **Friday 29 November 2019**, weather permitting, excluding public holidays.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** to **1pm** on **Saturday**.

Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.

Contact

If you have any questions, would like to register for project updates or have any feedback, please call 1800 784 847 or email Memorial.Avenue.Upgrade@rms.nsw.gov.au.

For more information on the project, visit our project page online at rms.work/memorialavenue.

Thank you for your patience during this important work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities such as concrete cutting and jack hammering by **midnight**.

To minimise disruption to residents, businesses and road users, we will not work more than four nights in any week and no more than five night shifts a month.

We will also be staging our work at different locations along Memorial Avenue to cause less disruption to local residents. We will notify people closest to investigation work with a door knock ahead of time.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 784 847
