The NSW Government is funding this proposal as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors.

Roads and Maritime Services will be upgrading the intersection of Narellan Road and Appin Road, Campbelltown.

This project aims to improve efficiency, safety and congestion on Sydney’s road network.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

Our work schedule

Our next stage of works will be carried out across 60 night shifts and 65 day shifts from Thursday 14 June to Monday 3 September, excluding public holidays and weather permitting. We propose working intermittently up to five nights consecutively a week.

Day work will be carried out between 7am and 6pm on weekdays and between 7am and 1pm on Saturdays. Our night work hours will be between 8pm and 5am from Sunday to Friday.

Work includes relocation of utilities, vegetation removal, excavation and pavement works on the southern verge of Narellan Road.

We have included a map overleaf to show the proposed improvements.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Are you studying for the Higher School Certificate?

We are planning our future work schedule and would like to know if there are students living in the area who will be sitting the Higher School Certificate (HSC) examinations in October 2018.

Contact

If you have any questions about the project or the night work schedule, or a member of your household is studying for the HSC, please contact our Project Manager, Johnny Curran, by Wednesday 30 May on 1800 572 004 during business hours, or pinchpoint@rms.nsw.gov.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
Proposed intersection improvements at Narellan Road and Appin Road, Campbelltown

Adding a dedicated south bound right turning lane on Narellan Road.

Relocating the Narellan Road median.

Widening the southern side of Narellan Road and south western corner of Narellan Road and Appin Road.

Adjusting the south east left turn entry lane.

Adjusting the south east and south west traffic islands.

Converting the existing south bound shared right and through lane on Narellan Road to a dedicated through lane.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.

May 2018
