

## Installation of a temporary workshop at 1 Memorial Avenue, Penrith, from Wednesday 24 May

### The NSW Government is building a new pedestrian and cyclist bridge over the Nepean River to connect Penrith and Emu Plains.

Roads and Maritime Services is continuing to deliver the new bridge which will provide a safe crossing for pedestrians and cyclists over the Nepean River and improve connections to existing and future shared paths, including the Great River Walk.

As part of the next stage of the project, we will install a temporary workshop within the site compound at 1 Memorial Avenue from **Wednesday, 24 May**. This workshop will be used to assemble bridge components, weld and paint the steel that will form the main span of the Nepean River Bridge.

Work to install the workshop will be carried out during standard working hours between **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

We have included a picture to show the workshop location and its size.

After the bridge is launched in early 2018, weather permitting, the workshop will be removed from site.

### How will the work affect you?

The temporary workshop will be visible to passers-by and residents, but no disruption to local traffic is planned.

There may be some noise and light associated with this work. We will make every effort to minimise noise, including ensuring our work program allows opportunity for respite.

### Contact

If you have any questions, please contact our delivery partner Seymour Whyte Constructions, on 1800 851 934 or email us on [nepeanbridge@rms.nsw.gov.au](mailto:nepeanbridge@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.
