

Intersection of Parramatta Road and James Ruse Drive, Clyde

Have your say

Parramatta Road traffic and road improvements, Granville to Lidcombe

December 2016

The NSW government is funding this \$1.8 million proposal to improve traffic flow and safety along Parramatta Road between Church Street, Granville and Birnie Avenue, Lidcombe.

Roads and Maritime Services is proposing traffic and road improvements on Parramatta Road to improve traffic flow and safety along this road corridor.

The proposal will help ease traffic congestion and improve the consistency of travel times for motorists, particularly during peak periods.

We are seeking feedback on the proposed improvements until **Friday 16 December 2016**.

We have provided a map to explain the proposed improvements.

Project benefits

The benefits of the proposed improvements include:

- Helping ease traffic congestion, including heavy vehicle traffic at various intersections along Parramatta Road
- Improving safety for road users
- Improving consistency of travel times for motorists particularly during peak periods.
