

Start of work on pedestrian bridge on Pennant Hills Road, North Parramatta, from Monday 31 July

The NSW Government is funding this \$5 million project to provide a safe crossing over Pennant Hills Road for local students, other pedestrians and cyclists.

Roads and Maritime Services is building a pedestrian bridge over Pennant Hills Road, North Parramatta.

We invited feedback on the proposal and night work schedule in March 2016 and February 2017. We notified the community and stakeholders in February and May 2017 that we would be proceeding with the project.

Our work schedule

We will be on site to build the pedestrian bridge for **40 night shifts** and **220 day shifts** between **Monday 31 July** and **Monday 30 April**, excluding public holidays, weather permitting. Our night work hours will be between **7pm** and **5am** from **Sunday to Friday**. Our day work hours will be between **7am** and **6pm** from **Monday to Friday** and between **8am** and **1pm** on **Saturday**.

The first stage of work will include:

- removing the fig tree on the corner of Pennant Hills Road and Glencoe Avenue
- clearing vegetation
- setting up the site compound and temporary fencing
- reinforcing the retaining wall on the corner of Pennant Hills Road and Glencoe Drive.

We have included a map to show the location of the work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **11pm**.

Higher School Certificate

We are planning our future work program and would like to know if there are students living in the area who will be sitting the Higher School Certificate (HSC) examinations in 2017. If a member of your household is studying for the HSC, please contact our delivery partner DM Roads at nsw_projects@downermouchel.com by Monday 14 August.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner DM Roads on 1800 332 660 or enquiries_nsw@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.
