Utility work on Bringelly Road and Greendale Road from Monday, 7 August 2017

The Australian and NSW governments are jointly funding this work as part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will be carrying out electrical relocation work as part of The Northern Road Upgrade from Peter Brock Drive, Oran Park to Mersey Road, Bringelly and the Bringelly Road Upgrade from King Street, Rossmore to The Northern Road, Bringelly.

Work will involve installing new electrical poles and powerlines to make way for construction of the new interchange at The Northern Road and Bringelly Road. The existing electrical poles and powerlines will be removed once the new line is connected. During this work, short periods of power outages will be required for some properties and residents will be notified in advance.

The new location of the electrical poles will be temporary until the permanent works are installed.

The attached map shows the location of this work. If any access to properties is required, our delivery partner Lendlease will contact residents to arrange a suitable time.

Our work schedule

Work will take place between 7am and 6pm Monday to Friday from Monday, 7 August to early November 2017, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

Our work may be noisy at times, but every effort will be made to minimise the impact on residents and businesses.

Traffic changes

There will be some temporary traffic changes to ensure the safety of road users and workers. Some partial lane closures may be in place.

Traffic changes may affect travel times and motorists are advised to allow extra travel time. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
Contact
If you have any questions, please contact our delivery partner Lendlease, on 1800 870 665 or TNRBRU2.community@lendlease.com.

Thank you for your patience during this important work.

Location of work

Western Sydney Infrastructure Plan
The Australian and NSW governments are jointly funding a 10 year, $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from the planned Western Sydney Airport at Badgerys Creek. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 870 665.
