Site compound set up for The Northern Road Upgrade from Peter Brock Drive, Oran Park, to Mersey Road, Bringelly as well as the Bringelly Road Upgrade from King Street, Rossmore, to The Northern Road, Bringelly from Thursday 22 June 2017

The Australian and NSW governments are jointly funding this work as part of the $3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is building a site compound for use during construction of The Northern Road Upgrade between Peter Brock Drive, Oran Park and Mersey Road, Bringelly as well as the Bringelly Road Upgrade between King Street, Rossmore and The Northern Road, Bringelly.

The site compound will be located at 1089 The Northern Road, Bringelly and will be used for:

- office space and amenities for staff
- parking for staff and construction vehicles
- storage areas for equipment and materials

The attached map shows the location of the site compound.

Work to establish the site compound will be carried out from Thursday 22 June 2017 until early August 2017, weather permitting. Our work hours will be between 7am and 6pm from Monday to Friday.

From time to time, there may be activities that take place outside these hours. Nearby residents will be notified in advance of any activities scheduled outside the standard working hours.

How will the work affect you?

Machinery and equipment that may be used during the set up includes excavators, trucks, rollers, mobile cranes, concrete trucks, power generators, hand tools and light vehicles.

There may be some noise and possible disruption associated with this work including vehicle movements during set up and use of this facility.

To minimise the impact on residents and businesses, temporary fencing will be installed around the site compound. Access to the compound will be restricted to standard work hours and during approved night works.

Traffic changes

Belmore Road, Bringelly will be used to access the site compound.

To manage the increase in project vehicles we will:

- build a new left hand turn lane on The Northern Road for vehicles turning into Belmore Road
- use traffic controllers
- maintain the condition of Belmore Road for the duration of the project.
Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact
If you have any questions please contact our delivery partner Lendlease, on 1800 870 665 or TNRBRU2.community@lendlease.com.
