Night work on The Northern Road from Littlefields Road, Mulgoa to south of Bradley Street, Glenmore Parkway from 1 July 2019

Roads and Maritime Services will continue work on The Northern Road from Littlefields Road, Mulgoa to Glenmore Parkway, Glenmore Park.

As part of this work for the project, we will carry out the following work across the project area:

- installing traffic barriers and constructing project site access from The Northern Road
- investigating and relocating utilities
- pavement construction, ground excavation and road surface work
- tree clearing
- line marking
- general maintenance of work area.

This work will take place along The Northern Road and side streets between Littlefields Road and Bradley Street. We have included a map to show the work location.

To ensure the safety of workers and motorists, and minimise the disruption to the road network, we will need to carry out this work at night. Traffic control set up will start from 6pm and work will take place from 7pm to 5am between Monday 1 July and Friday 16 August 2019, weather permitting.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by:

- adapting our construction methods to reduce noise impact as much as possible
- arranging work in stages at different location.

Traffic changes

There may be some temporary traffic changes to ensure the work zone is safe for workers and motorists. Please keep to the displayed speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Manager on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
