Work continues on The Northern Road upgrade between Littlefields Road, Mulgoa and south of Bradley Street, Glenmore Park

Roads and Maritime Services will continue work on The Northern Road upgrade from Littlefields Road, Mulgoa to Glenmore Parkway, Glenmore Park.

Work carried out on the project so far includes:

- setting up the site compound
- tree clearing
- relocating fencing and property adjustments
- preparing to relocate utility services.

We have made significant progress on preparatory work on the western side of The Northern Road near Bradley Street and work is well underway to relocate the Sydney Water mains near Grover Crescent and south of Bradley Street.
Upcoming work

In the next few months, we will continue with:

- installing traffic barriers and constructing project site access from The Northern Road
- investigating and relocating utilities
- removing buildings and structures
- pavement construction, ground excavation and road surface work
- line marking
- property adjustment work including installing new fencing
- general maintenance of work area.

The work will generally be done during normal construction hours of **7am to 6pm Monday to Friday** and **8am to 1pm Saturday**. If we need to work outside these hours we will notify you if the work is likely to affect you.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by:

- adapting our construction methods to reduce noise impact as much as possible
- monitoring noise and vibration

On-site concrete production

During August and September, the project team will start building an onsite facility to produce concrete for the project. This facility is called a batch plant and the location has been included within the map below. The batch plant is expected to operate intermittently between October 2019 and January 2021.

Operations of the batch plant will usually take place between **7am and 6pm Monday to Friday** and **8am to 1pm on Saturday** throughout the project. If we need the batch plant to operate outside of these hours we will inform you if the work is likely to impact you.
Traffic changes

There may be some temporary traffic changes to ensure the work zone is safe for workers and motorists. Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. Speed reductions have also been introduced on local roads impacted by construction works.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or concerns, please contact the project Community Manager on 1800 703 457 press 1 then press 5 or email thenorthernroad@rms.nsw.gov.au
