Changed traffic conditions and night work at the intersection of The Northern Road and Derwent Road, Bringelly from Tuesday 18 December

The Bringelly and The Northern Road upgrades will provide easier, faster and safer travel for motorists in western Sydney.
Our work

Roads and Maritime Services is building a new intersection at The Northern Road and Derwent Road about 300 metres north of the current intersection. The existing intersection will become a cul-de-sac. We will carry out work at night to connect the existing Derwent Road to the new Derwent Road. The work will include demolishing part of the existing road, asphalting, line-marking and removing concrete barriers.

The equipment used for this work includes an asphalt paver and milling machine, a crane, a line marking machine, a bobcat, a roller, trucks and lighting towers.

Traffic will be switched on to the new section of Derwent Road on Thursday 20 December 2018. All turning movements will be permitted at the intersection. The right-turn lane on The Northern Road will be maintained until traffic lights are installed in 2020.

Our work schedule

To minimise the impact on road users, work will take place at night between 6pm and 7am on Tuesday 18 December and Wednesday 19 December 2018, weather permitting.

How will the work affect you?

Work will include lighting towers which we will face away from residences. To reduce noise produced by machinery we will carry out the noisier tasks before midnight.

Traffic changes

We have included a map to show the location of the new intersection and changes to traffic flow. Please keep to the speed limits, follow the signs and traffic controllers' directions.

Contact

If you have any questions, please contact our delivery partner Lendlease, on 1800 870 665 or tnbru2.community@lendlease.com. For more information on our projects, visit http://www.rms.nsw.gov.au/projects/western-sydney.

Thank you for your patience during this important work.

Western Sydney Infrastructure Plan

The Australian and NSW governments are jointly funding a $3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport. For more information on our projects, visit rms.nsw.gov.au/wsip or call 1800 703 457.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 870 665.
